Brand New Book ***** Print on Demand *****.THE DAUGHTER is the story of a middle-aged writer who takes an unexpected detour in life when she spends a few weeks in Cambridge, Massachusetts as a guest at her publisher's house, to take advantage of the peace and quiet to overcome her writer's block. Enter the publisher's adorable daughter, Katie, a college student in her mid-twenties who also resides at the house, attends nearby Harvard University, and is a complete distraction. Reclusive fiction writer Abigail Mitchell, having never experienced a sexual attraction towards another woman, is torn between her straight and conservative ways and her feelings towards Katie. The two women at first encounter some turbulence sharing the large house, but quickly become good friends, and the line is eventually crossed as the two engage in a torrid and passion-filled romantic encounter, and adventure. In this first erotic adult novel from this exciting new author, Gabrielle Diego writes a captivating and sensual story filled with hot, steamy action guaranteed to keep the reader's undivided attention. Gabrielle Diego may be one of the most promising new writers to emerge in today's world of erotic fiction. The Daughter has quickly received critical acclaim for its sizzling hot romance, and savage passion.
