Product Description: Out of Space contains five adventures that will take Investigators from the mountains of northern Mexico to the skies above Germany, to the smog and disease of gaslight London and the raging tides of the Atlantic Ocean. It will even take you to a world that could only exist in your worst nightmares. Created GUMSHOE designer and gaming luminary, Robin D. Laws, Trail of Cthulhu veteran Adam Gauntlett, and Jason Morningstar, award-winning creator of Fiasco and the Shab-al-Hiri Roach, Out of Space features: The Repairer of Reputations: A seemingly utopian future takes on a distinctly nightmarish quality. The scenario plays with this by suggesting that the publication of The King in Yellow has warped history. The alien beings described in the play are as real as the antagonists believe them to be. Flying Coffins: Enemy planes are not the only things hunting in the sky. Winter, 1918. You are members of the Royal Flying Corps stationed near the Front and rumor has it, the next big push is about to begin. Meanwhile the new Hun Circus is racking up kill after kill â but is it the enemy or something else thatâs to blame? Many Fires: In the mountains of northern Mexico, something...
