SEVEN DAYS OF CREATION

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a book written in study form. It is a book that will enlighten those who are searching for the plan and purpose of God for man. It will help the young in the Lord to understand why they were born into the realm of earth and what their destiny is in Spirit. It was written over thirty years ago when I was also young in the move of God and was diligently searching for my spiritual identity. God began to pour out revelation to me and totally changed my life. I offer this book in love, please read it in the light of how and why it is written. In school we were taught in order to write properly, we should have a thesis sentence that contained a short summary of what the theme was to express or convey to the reader. God is the greatest author of all and in the first chapter of Genesis, we find His thesis sentence. We read that the heavens and the earth were created in six days and on the seventh day God rested. When we examine these days with the aid of the Spirit of God, we find they are an outline or pattern of the remaining portion of the Bible. God s purpose in the seventh day is to rest in the fact His creation is fulfilling His will in the earth, that He may be all and in all.
