Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.

(Newton Runolfsson)

EVERYBODY SLEEPS (BUT NOT FRED)

Clarion. 1 Cloth(s), 2015. hard. Book Condition: New. Every kind of bird and beast has to sleep, from the monkeys in the jungle to the whales in the deep, while on the farm, sheep lie in a woolly heap, and count themselves and fall asleep. But not Fred. In this book for readers 4 to 7 from the creator of the Theodor Seuss Geisel Award winner *Tales for Very Picky Eaters*, Fred's to-do list is far too long from breaking the world shouting record to practicing his karate chops and he has no intention of going to bed. In Josh Schneider's hilariously detailed drawings, drowsy animals of all stripes look on in disbelief as Fred keeps on going and going and going, until suddenly he's nowhere to be found. Could Fred have finally fallen asleep?"From visual gags like jellyfish in sleep masks . to verse mocking soporific picture-book rhymes . it's a pitch perfect parody. Sorry, parents: kids will be too busy laughing to get sleepy reading this one."Publishers Weekly (starred review) 32.
