

Pursued by a Different World

By Stephen Hewitt

Stephen Warren Hewitt. Paperback. Book Condition: New. Paperback. 80 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Steves poetry is a delightful and refreshing read. He reminds us that a poetic beauty thirsts for solitude away from loud minds with small hearts, away from gross egos with uncaring eyes and ears. His poems create visual images and rhythms that provide a glimpse of something better. . . . Good poetry can feed the best of the human personality the way petunia waves feed a butterfly. If youve had a hectic day or week, then take some time for you. Under soft lights surrounded by beautiful and meaningful things, read to feel a better world interspersed with sound and light. I invite you to. . . Watch with me the milky moons duet with the morning star, the tender trills of a leafs delicate descent, the delightful depths of a faithful kiss.
