

Solidarity - Police and K9 Companions

Filesize: 1.04 MB

Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

GRIN Verlag Aug 2013, 2013. sonst. Bücher. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2009 in the subject Sociology - Law, Delinquency, Abnormal Behavior, grade: A, Kwantlen Polytechnic University, course: Introduction to Policing, language: English, abstract: Technology has made incredible strides in the 21st century and has aided in the prevention, apprehension, and conviction of many offenders. However, these expensive resources require specially trained personnel to operate in an already, often understaffed, police force (Griffiths, 2008, p. 98). Although, policing techniques have adapted to the ever changing nature of crime, offenders have adopted new ways of concealing their misconduct. How should law enforcement agencies respond to this Do laws need to be stricter Do police need more funding Currently, the answer is not in the future, but in the past. Man and beast once fought in a constant struggle for dominance. Once an enemy, now a companion, the trained dog has proven to be an effective resource for police departments (Mesloh, 2000). This paper will briefly explore the beneficial traits of police dogs and determine if expanding their use will aid in effective policing. First, what types of skills do police dogs have What training can they undertake Second, how can their use benefit police departments and society Third, what are the costs associated with training and maintenance How can dogs save money 16 pp. Englisch.
