Banner of Truth. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 7.0in. x 4.7in. x 0.5in. Few martyrs words can be more stirring than those of Bishop Hugh Latimers to Dr. Nicholas Ridley: Be of good comfort, Master Ridley, and play the man. We shall this day light such a candle, by Gods grace, in England, as I trust shall never be put out. But, why were such men burned at the stake What were the great convictions in which they lived and for which they were prepared to sacrifice life itself What made their lives and testimony to Christs gospel so powerful Do Christians today share either their convictions or their faithfulness It was the increasing conviction that martyrs, though dead, can still speak to the church, which led Bishop J. C. Ryle to pen these pungent biographies of Five English Reformers last century. Along with an analysis of the reasons for their martyrdom he points out the salient characteristics of their Christian lives. Such men still prove to be examples, warnings and challenges all in one, to Christians today. Readers will rise from the company of their life-stories praying for a similar faith in Christs power.
