First Edition Design eBook Publishing, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. This guide is useful whether you are traveling to Israel with a group or studying about Israel in your home. It is filled with practical information that will enhance your tour experience and deepen your personal knowledge of the Land of the Bible and Bible times. It is designed to help both young and mature Christ-followers to grow in their knowledge of the Scriptures. But it can be used by anyone interested in knowing more about Israel, Christ-follower or not. There are a variety of maps and personal photos in this guide. Many of the maps I created with Accordance Software, which will be consistent throughout the guide. The maps and photos will help you to visualize the topic or land area you are reading about. There is a list of the major sites in Israel, Jordan, and Egypt in alphabetical order. There is also a Quick Bible Reference Guide to assist you in finding more Scriptures about various sites in the Holy Land. Many people who travel to Israel wonder about communicating with the locals on their trip. This is a problem that you will hardly ever experience on a tour. However, to get a feel for the language, there is a section of important words, phrases, and prayers that will be helpful on your trip. I have included a section on terminology--a glossary of common words, names, and events found in the Bible and in history. There are biographies of many important historical and biblical characters. Learning about them in advance will enhance your time in Israel. They will come alive as you see them in the context of their time....
