

Clay Water Brick: Finding Inspiration from Entrepreneurs Who Do the Most with the Least (Hardback)

Filesize: 4.76 MB

Reviews

A whole new eBook with an all new standpoint. It is actually rally fascinating through reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).

(Claire Bartell)

CLAY WATER BRICK: FINDING INSPIRATION FROM ENTREPRENEURS WHO DO THE MOST WITH THE LEAST (HARDBACK)

Random House USA Inc, United States, 2015. Hardback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book. In the tradition of Kabul Beauty School and Start Something That Matters comes an inspiring story of social entrepreneurship from the co-founder of Kiva, the first online microlending platform for the working poor. Featuring lessons learned from successful businesses in the world's poorest countries, Jessica Jackley's Clay Water Brick will motivate readers to more deeply appreciate the incredible entrepreneurial potential that exists in every human being on this planet especially themselves. The heart of entrepreneurship is never about what we have. It's about what we do. Meet Patrick, who had next to nothing and started a thriving business using just the ground beneath his feet . . . Blessing, who built her shop right in the middle of the road, refusing to take the chance that her customers might pass her by . . . Constance, who cornered the banana market in her African village with her big personality and sense of mission. Patrick, Blessing, Constance, and many others are among the poorest of the world's poor. And yet they each had crucial lessons to teach Jessica Jackley lessons about resilience, creativity, perseverance, and, above all, entrepreneurship. For as long as she could remember, Jackley, the co-founder of the revolutionary microlending site Kiva, had a singular and urgent ambition: to help alleviate global poverty. While in her twenties, she set off for Africa to finally meet the people she had long dreamed of helping. The insights of those she met changed her understanding. Today she believes that many of the most inspiring entrepreneurs in the world are not focused on high-tech ventures or making a lot of money; instead, they wake up every day and...
