

Fort Dearborn: A Novel

Filesize: 2.58 MB

Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

Northwestern University Press, United States, 2011. Paperback. Book Condition: New. 2, from an Out.. 231 x 155 mm. Language: English . Brand New Book. In a story that brings to life the founding of one of the world's great cities, Fort Dearborn takes us back to Chicago's early struggle of fire and blood. Through the eyes of two young boys and their fathers - one father a sergeant with the United States First Infantry, the other a Potawatomi warrior - we see the events that lead up to the Fort Dearborn Massacre. Using scores of letters, historical documents and maps, and long-forgotten Native American speeches, Crimmins breathes life into the little known drama that took place in the vicinity of the fort that once occupied what is now downtown Chicago. A suspenseful narrative, Fort Dearborn is also a remarkable historical account, minutely observed and meticulously documented, preserving a key moment in American history.
