From the day it came off the presses Tom has received letters asking for a Wizard book to go with it. What good is a dragon without a Wizard? one reader asked. Well, here it is! These fanciful figures let the imagination run wild. You can make them friendly or sinister, young or old, comic or deadly serious. Tom gives patterns and step-by-step instructions illustrated in full color. The gallery has a coven of Wizards, in both full-figure and bust forms. But that is only the starting point. From there a change in costume, setting, or facial feature can lead to an infinite variety of figures. As a companion piece or by itself, this is an exciting new project for carvers. Enjoy.
