

The Weight of the Nation: Surprising Lessons about Diets, Food, and Fat from the Extraordinary Series from HBO Documentary Films

By Dr John Hoffman, Judith A Salerno M.D.

GRIFFIN, United States, 2013. Paperback. Book Condition: New. Reprint. 206 x 137 mm. Language: English . Brand New Book. America s ever-expanding waistline: We see it, hear about it, and worry about it! But can anything be done about it? People today work harder and take better care of their health than any previous generation. So how could two-thirds of us fail to measure up when it comes to eating right and exercising? HBO and the Institute of Medicine of the National Academy of Sciences have joined together to bring you the nation s foremost experts and definitive research on weight and weight loss. The Weight of the Nation explains how we got to this unhealthy place and how we can get to a healthy weight by overcoming the forces that drive us to eat too much and move too little. The Weight of the Nation answers crucial questions about yo-yo dieting, how metabolism functions, why stress affects weight, and how to keep weight off forever. Based on the rich research behind HBO s documentary series, The Weight of the Nation is the only book that tells it like it is: losing weight is hard, keeping it off is even harder,...

Reviews

Merely no words to explain. I really could comprehend everything out of this published e book. I found out this publication from my dad and i suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.
