Bishop has been a vampire for 700 years and though he wishes nothing more than to live his life in peace, getting humans to believe that vampires are not monsters is a difficult task, and vampire hunters like The Reaper make it even more difficult. Believing that a vampire killed her mother, Irina leads a band of vigilantes, determined to rid the world of these monsters. What no one knows is that Irina herself is half-vampire. Determined to deny that side of her, Irina captures Bishop, believing he can lead her to the vampire responsible for her mother s death. But over the course of Bishop s captivity, secrets about Irina s past are revealed and she soon learns that what she has always believed to be true is anything but. Now Irina and Bishop are in a race against time as they fight for their lives--and their love.
