AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 201 x 122 mm. Language: English Brand New Book ***** Print on Demand *****.Unexpected death in the family made the author realize that in his previous book he had just scanned the notions of the afterlife. To try and help the grieving family he describes what happens during the first few days, and thereafter. This leads to the Sacraments: how they work, their usefulness. The soul is stuck in the Purgatory by his Sins - unresolved issues between what he thought he should have done and what he did - What are sins today? Politics changes this life and also the next. Two issues. New laws create new forbidden activities, new sins. On another scale, unjustified war is more power to Evil. Indirectly this entity gives added strength to the groups who impose abnormal laws on the majority. Entering the Age of Aquarius, Reason should establish its power. Laws should be thought thru: what about nature? biosphere, needs of evolution, of mankind; human instincts; energy: water, love, money. The author established earlier the existence of another world, here he clarifies the links between both sides, explains the living souls - this silent majority s needs. Your future needs. Time has come for new thinking, new analysis, new direction of society.
