### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook I have read during my very own daily life and could be the best eBook for possibly.*

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 266 pages. Dimensions: 8.0in. x 5.2in. x 0.6in.5 stars!SO good that it wraps up solidly, without any cliffhanger typical of books with a planned sequel. A solid, satisfying conclusion with no loose ends and true caring of what happens to these characters. Well done, and a good imagining of what our world could become, and how our youth can be so involved in the machinations of it. Author makes good decisions on what to include and what not to include, to avoid similarities to other books and to let the reader write some on his or her own. Good pacing of revelations and self-editing. Well done. Enjoyable read!-Judge, Writers Digest Self-Published e-Book AwardsServe Your Country, Conserve Your Water, Observe Your NeighborThis is the slogan of the Sustainability Unit and of a country gone eco-hysterical. After nearly twelve months without rain and the hinges of the world barely still oiled, Thomas and his younger brother, Dustin, set out across a drought-ridden landscape in search of answers. What they discover along the way will change their lives, and their country, forever. The Cloud Seedersweaves humor and heartache, as well as poetry and science, into a unique novel that defies categorization.
