## ANTITHEIST S DICTIONARY

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book consists of definitions of religious words interpreted by a cynical antitheist. It is humorous, offensive and controversial. If you are religious and easily offended then I suggest you steer well clear. If you are not religious (or are of a less sensitive nature to your more serious religious colleagues) then dip in and have a laugh along with me. However I should warn you; I have a serious intent as well. I view religion as a social menace that should be kept clear of children, schools and the State. I believe history has shown religion to be a major source of evil in the world. I believe it creates war, misogyny, torture, hypocrisy, exploitation, bigotry and hatred. There is little good that ever comes out of it. I hope all religion withers away naturally. Until then I respect your right to believe in whatever brand of superstition you wish - just as long as you do not try to force it on anyone else!
